Show entry

All competitors are to enter the showground via GATE 4

not the main entrance as in previous years. Gate 4 will bring you into the showground by the flyball and camping area. This gate will be manned by members of Aces.

Show passes

In order to be able to make things a little easier this year, all BFA members entered in the flyball tournament will be given free access to the showground upon producing their BFA membership card at the point of entry. This will eliminate the requirement for the issuing of show passes which in the past has often been the cause of headaches both for competitors and organisers alike. If there is a member of an entered team who for any reason does not have a BFA card please email Jeannette. Jshelley002@gmail.com

Car Passes

Day parking this year will be free to all flyball entrants. All day parking will be directed to the camping/day parking area upon arrival.

As the tournament is held within a public access area, there will be controlled movement of vehicles during the event

There will be NO MOVEMENT of vehicles after 8.30am or before 5pm.

As the venue has public access, there will be an onsite speed limit which MUST be strictly adhered to in the interests of safety for both competitors and members of the public.

Camping

Camping this year will be priced at £10 per night for the first two nights, with the third night being free. All camping must be booked through Aces High this year rather than the Paws in the park website and paid for along with your competition entry. Late confirmation of camping causes a lot of extra work therefore please confirm your camping numbers and make payment at the time of your competition entry. **MDS have requested camping payment in advance this year and Aces do not have the funds to advance the cost of camping for entrants who don't provide payment when booking their camping.**

Electric hook up will not be available this year.

Camping will need to be booked in advance so we know what numbers to expect for space allocation.

Passes will be issued by Aces High to all campers via the post before the tournament. Late bookings can be accepted but please inform Jeannette.

All late bookings will be required to pay for the camping upon arrival to the showground.

All campers must book in with Aces upon arrival.

Camping and evening entertainment

There are excellent shower and toilet facilities available and camping will include entry to the event on the 22nd and 23rd Sept and Free evening entertainment including a Quiz night on Friday and a Richard Curtis Cabaret Night on Saturday 22nd September. There will also be a bar and food available on Friday and Saturday evenings.

Requests for specific days

As always we will try to accommodate teams who request specific days however this cannot be guaranteed.

The running order will not be considered until two weeks prior to the event at the earliest due to the seed list update and therefore it is impossible to guarantee any request until that time whether successful or not. Refunds will not be issued if we are unable to accommodate your request and you withdraw beyond the competition entry date.

All Exhibitors will be subject to MDS rules for exhibitors and campers.

This information will be provided with the running order.
